SUBJECT : Career Management of Clerical Personnel

STAT

1. For a number of reasons your memorandum of 20 January 1975 was not forwarded to the DCI. It is to be noted that the DD/A draft proposal will be considered by DD/A Office Directors following the morning meeting of Friday, 14 February, and presumably the DD/A input will be forwarded to the Executive Secretary, CIA Management Committee, shortly thereafter.

2. Ignoring the specific complaint within East Asia Division, DD/O, have we completed the review of positions for upgrading which would justify referral to the CIA Management Committee in the near future, or would you prefer to sit tight on this issue? If you have any questions on this, don't hesitate to call.
